## 1. Background and purpose

The Annual Shareholders' Meeting of Repsol S.A. ("**Repsol**" or the "**Company**") held on May 31, 2012 approved, under item tenth of its agenda, to increase the share capital of Repsol, with full charge to reserves from retained earnings, in an amount to be determined in accordance with the terms and conditions set out in the resolution (the "**Capital Increase**"), delegating the execution of the Increase to the Board of Directors of Repsol, with authority to delegate in turn to the Delegate Committee, pursuant to article 297.1.a) of Companies Act. The maximum market value of the Capital Increase is 705,048,650 euro, as provided in the resolution of the Annual Shareholders' Meeting.

Likewise, the Company's Board of Directors at its meeting held on May 31<sup>st</sup>, 2012, following the Annual Shareholders' Meeting, approved, among other agreements, substitute to the Delegate Committee the powers granted to it by the Annual Shareholders' Meeting in relation to the Capital Increase, and in particular the power to execute the Capital Increase, fixing the date of its execution and its condition in all aspects not contemplated in resolution of the Annual Shareholder's Meeting. Additionally, in order to inform to the market properly and in time, the Company communicated, as an official notice sent to the Spanish Securities Market Commission (*Comisión Nacional del Mercado de Valores - CNMV*) on May 31, 2012 (registration number 165830), an estimated timetable.

According to this, the Delegate Committee of Repsol, at its meeting held on June 18, 2012, has agreed to execute the Capital Increase under the terms approved by the Annual Shareholders' Meeting and the Board of Directors.

This report is issued in accordance with articles 26.1.e) and 41.1.d) of Royal Decree 1310/2005, of 4 November, by virtue of which the preparation and publication of a prospectus related to the issuance and admission to listing of the shares issued as a consequence of the execution of the Increase will not be necessary "*provided that a document is made available containing information on the number and nature of the shares and the reasons for and details of the offer*", role of this Informative Document. This document is available on the Company's website ([www.repsol.com](http://www.repsol.com)) and in the website of the Spanish Securities Market Commission ([www.cnmv.es](http://www.cnmv.es)).

The purpose of this document is, therefore, to provide all the information related with the Capital Increase available at this date.

## 2. Purpose of the Increase: Repsol Flexible Dividend Program

The Capital Increase serves as an instrument for the shareholder-remuneration program named "Repsol Flexible Dividend" which shall be applied, for the first time in Repsol, in substitution of the traditional payment of the 2011 final dividend. The purpose of the program is to offer all the Company's shareholders the option, at their free choice, of receiving new free-of-charge shares of the Company, without altering the Company's policy of remunerating its shareholders in cash, since

they may opt, as an alternative, to receive an amount in cash by selling their free-of-charge allocation rights to the Company (if they do not sell on the market), as explained herein below.

The “Repsol Flexible Dividend” program is similar to those programs implemented by other companies in IBEX-35. With it, the Company wants to offer its shareholders an alternative which, without affecting their right to receive the entire remuneration in cash if they so wish, gives them the possibility of receiving shares of the Company, with the tax applicable to free-of-charge shares.

“Repsol Flexible Dividend” program works as follows. Each shareholder will receive a free-of-charge allocation right for every Repsol’s share held. These rights will be listed and may be traded on the Spanish Stock Exchanges during a 15 calendar day period. Following the end of this period, the rights will be automatically converted into new Repsol’s shares. Each shareholder may opt for one of the following alternatives:

- (a) Not to sell their free-of-charge allocation rights. In this case, at the end of the trading period the shareholder will receive the corresponding number of new free-of-charge shares.
- (b) To sell all or part of their free-of-charge allocation rights to the Company under the Purchase Commitment at a guaranteed fixed price, mentioned below in this document. Shareholders choosing this option would monetize their rights and would receive a remuneration in cash, as in previous years. The Purchase Commitment will only be applicable with respect to those rights freely received by the shareholders, not to those purchased on the market, and will be in force and may be accepted during such time, within the trading period of the rights, mentioned in paragraph 3.4 below.
- (c) To sell all or part of their free-of-charge allocation rights on the market, during the trading period mentioned in paragraph 3.4 below. Shareholders choosing this option would also monetize their rights, although in this case they would not receive a guaranteed fixed price, as in option (b) above, but instead the consideration payable for the rights would depend on market conditions in general and the quotation price of those rights in particular.

The Company’s shareholders may combine any or all of the alternatives mentioned in paragraphs (a) to (c) above.

It should be noted in this regard that the alternatives receive different tax treatment. A summary of the transaction tax applicable regime in Spain can be found in paragraph 2.6 of the report by the Board of Directors on the proposal of resolution submitted to the Annual Shareholders’ Meeting that were approved under the tenth and eleventh points of the Agenda, which is available on the Company’s website ([www.repsol.com](http://www.repsol.com)).

### 3. Details of the offer

#### 3.1. Number of free-of-charge allocation rights needed to receive a new share, maximum number of new shares to be issued and face value of the Capital Increase.

In application of the formulas approved by the Annual Shareholders' Meeting, the Delegate Committee has established the following points of the Capital Increase:

- (i) The number of free-of-charge allocation rights needed to receive one new share ("**No. Rights per share**") is 22. Free-of-charge allocation rights will be allocated to the Company's shareholders who are recognized as such in the accounting registers of *Sociedad de Gestión de los Sistemas de Registro, Compensación and Liquidación de Valores, S.A. Unipersonal* (Iberclear) at 23:59 the day of publication of the Capital Increase in the Official Gazette of the Commercial Registry (expected on June 20). The Company's shareholders will receive a free-of-charge allocation right for each share in the Company that they hold at that time. Accordingly, the said shareholders shall be entitled to receive one new share for every 22 old shares that they hold on the mentioned date.

The mentioned "**No. Rights per share**" has been calculated as described below, taking into account that the number of Company shares at the date of this report is 1,220,863,463 ("**NES**").

No. Rights per share = NES / Provisional no. shares = 1,220,863,463 / 56,206,046 = 21.72 = 22 rights (rounded up);

where

"Provisional no. shares" = Amount of the Alternative Option / Share Price = 705,048,650 / 12.544 = 56,206,046; and

"Share Price" = 12.544 euro, is the arithmetic mean of the weighted average prices of the Company's share on the Madrid, Barcelona, Bilbao and Valencia stock exchanges over the five (5) trading sessions prior to the date of the resolution adopted by the Delegate Committee to implement the Capital Increase (days 12, 13, 14, 15 and 18 of June), rounded up or down to the nearest thousandth of a euro and, in the event of half a thousandth of a euro, rounded up to the nearest thousandth of a euro.

- (ii) The maximum number of new shares to be issued in the Capital Increase ("**MNNS**") is 55,493,793, resulting from the formula approved by the Annual Shareholder's Meeting of Repsol, which is reproduced below, rounded down to the nearest whole number:

MNNS = NES / No. Rights per share = 1,220,863,463 / 22 = 55,493,793 new shares (rounded down to the nearest whole number)

where, "NES", "No. Rights per share" and "Share Price" have the meaning specified in paragraph (i) above.

Notwithstanding this, the number of shares actually issued will depend on the number of shareholders who request to receive their remuneration in cash at the fixed price of the Company's undertaking to acquire rights.

Repsol will waive the rights acquired by virtue of the undertaking to acquire rights, so the capital would be increased only by the amount corresponding to the free-of-charge allocation rights not acquired by Repsol pursuant to this undertaking<sup>1</sup>. In any case, the final number of shares to be issued in the Capital Increase shall be promptly publish in the official notice of the closure execution of the Capital Increase, which is scheduled for the next July 6, 2012.

- (iii) Consequently, the face value amount of the Capital Increase is 55,493,793 euro. However, as mentioned below, the final amount of the share capital increase will be calculated by multiplying the number of final shares for 1 euro.

Due to the number of free-of-charge allocation rights required for the allocation of one new share (22, according to the previous calculations), multiplied by the maximum number of new shares to be issued (55,493,793, according to the previous calculations), is 1,220,863,446 (lower than the number of shares in circulation (1,220,863,463)), Repsol has waived a number of free-of-charge allocation rights equal to the difference between the two figures (17 rights) for the sole purpose of ensuring that the maximum number of new shares to be issue is a whole number and not a fraction.

### **3.2. Price of the purchase commitment of free-of-charge allocation rights**

The guaranteed price of Repsol's purchase commitment of rights (the "**Purchase Commitment**") is 0.545 euro gross per right, which results from the following formula of the Capital Increase:

Purchase Price = Share Price / (No. Rights per share + 1) = 12.544 / (22 + 1) = 0.5453 = 0.545 (rounded up or down to the nearest thousandth of a euro and, in the event of half a thousandth of a euro, rounded up to the nearest thousandth of a euro).

Accordingly, shareholders who wish to receive their remuneration in cash, may sell their rights to Repsol at a guaranteed fixed price of 0.545 euro gross.

---

<sup>1</sup> Also, if the final number of shares to be issued (i.e, the number of outstanding rights at the end of the trading period divided into the number of rights needed to receive one new share) is not a whole number, the Company will waive the number of rights required to that end.

### 3.3. Timetable

The Capital Increase is expected to be executed in accordance with the following timetable:

- June 20<sup>th</sup> 2012: Publication of the announcement of the Capital Increase in the Official Bulletin of the Commercial Registry. Record date for the allocation of rights (23:59 CET)

### 3.4. Allocation of rights and procedure to opt for cash or new shares

As noted above, the free-of charge allocation rights will be allocated to the Company's shareholders who are recognized as such in the accounting registries of Iberclear at 23:59 on the day of publication of the announcement of the Capital Increase in the Official Bulletin of the Commercial Registry ("Boletín Oficial del Registro Mercantil") (expected on June 20, 2012). The trading period of the rights will begin on the next business day and will have a term of fifteen calendar days (from June 21 to July 5, 2012). Stock Exchanges of Madrid, Barcelona, Bilbao and Valencia, under the same conditions as the shares of those arising.

During the trading period of the rights, shareholders may opt for cash or new shares as explained above, as well as may opt for acquiring on market free-of-charge allocation rights to subscribe new shares. However, those shareholders who wish to accept the undertaking to purchase rights offered by Repsol and receive cash at the guaranteed price shall need to communicate their decision no later than June 29, 2012. The undertaking to purchase rights is addressed only at the rights allocated free-of-charge to shareholders, and not to those acquired on market. To choose among the alternatives offered by the "Repsol Flexible Dividend" program, shareholders will have to contact the entities where their Repsol's shares and corresponding free-of-charge allocation rights are deposited.

Those shareholders who wish to receive cash at the guaranteed price shall need to communicate their decision no later than June 29, 2012. In the absence of an express communication, shareholders will receive new shares of Repsol<sup>3</sup>.

The Capital Increases will be made free of charges and commissions for the allocation of new shares issued. The Company will bear the costs of issue, subscription, putting into circulation, listing and any others related with the Capital Increase.

Nevertheless, the Company's shareholders should bear in mind that the members of Sociedad de Gestión de los Sistemas de Registro, Compensación and Liquidación de Valores, S.A. Unipersonal (Iberclear) at which they have deposited their shares may, under prevailing laws, establish such administration charges and commissions as they may freely determine for maintaining the securities in the accounting registers.
