For this purpose, and pursuant to the delegation granted by the Shareholders' Meeting, the Board of Directors has today fixed the market value of the capital increase ("**Amount of the Alternative Option**") at 687,328,224 euros.

Pursuant to the formula approved by the Shareholders' Meeting and the closing price of Repsol shares on November 26, 2019 (14.590 euros per share), the price at which Repsol will purchase the free-of-charge allocation rights will be 0.429 euros per right and the number of rights necessary to receive each new share shall be 33.

It is expected that the definitive amount of these figures and the remaining information of the capital increase will be announced on December 11, 2019.
